This is not an articulation agreement. This chart should serve as a reference for Holyoke Community College students who eventually plan to transfer to Western New England University. We hope that this will aid you in working towards your academic goals and maximize the transfer credit applied towards a degree at Western New England University. Please reference our University Catalogue for additional information. A maximum of 70 semester hours may be transferred from two-year institutions.

Laboratory Science—any 100 level courses from the following areas: BIO, CHM, ESC, FRS, or PHS.

Business courses from a college not accredited by AACSB that are determined to be equivalent to 300-400 level courses at Western New England University will be considered for transfer credit (up to two courses).

All course recommendations are for the below business majors: Accounting, Business Analytics and Information Management, Finance, General Business, Human Resource Management, Management & Leadership, Marketing, Marketing Communications/Advertising, Sport Management.

Business Analytics & Information Management - In order to complete the Business Analytics and Information Management degree at WNE in two additional years, students must take BAIM 221 - Statistics for Business Analytics at WNE prior to enrolling at WNE. Without this course it will take an additional year to complete this program.
