# EXPERIENCE GOLDEN BEAR LIFE

## Here, You're Part of the Family

The college journey isn't meant to be taken alone. In fact, the student experience is best enjoyed together!

From the moment you arrive on campus, your Golden Bear family will be beside you, cheering you on and supporting you the whole way. So feel free to explore what we have to offer without worry. We've got you.

## All-around Support for Your Success

At Western New England University, you'll find a robust support team eager to help you succeed inside and outside of the classroom. Our student-centered focus means that we offer a variety of support services, including free academic tutoring with the Writing and Math Centers, workshops and mentorship with the Student Success Center, résumé and career development events with the Delbridge Career Center, and a one-stop shop for all your needs through our Student Hub.

## Experience Beyond the Classroom

Nothing makes a résumé shine like hands-on experience. Before you graduate, you'll take advantage of our network of over 1,000 businesses and organizations to secure an internship or broaden your skillset with our experiential learning opportunities. From Senior Engineering Design Projects to student teaching in the classroom, you'll find the perfect real-world setting to test-drive your future career.

## A Smart Investment in Your Future

A study conducted by Georgetown University ranked WNE among the top 6% of colleges and universities for ROI — #1 in Springfield and #3 in the Pioneer Valley behind Williams and Amherst Colleges.

When you polish your résumé and interviewing skills, attend our on-campus career fairs, and network with our alumni connections, you'll be work-ready and world-ready by the time you graduate.

## An Ideal Place to Eat and Meet

Our University Commons is the place to be for meals and socializing. The two-floor main dining hall is packed with options for you to choose from, including home-style meals, pizza, salads, sandwiches, as well as plenty of meatless and allergy-friendly choices. There's flexible seating and social spaces, conference rooms, and a large outdoor terrace for special events. As the heart of our welcoming community, the University Commons will be your new go-to place to eat and meet up with friends.

## Golden Bears Keep Busy

Music, games, comedy, movies, hiking — whatever you're into, Western New England University has it going on. Our student-run clubs and Campus Activities Board pack the calendar with plenty of programming and events to help you unwind and meet new friends. Take the stage to share your poetry, enjoy live theatre with the Stageless Players, hop on a bus headed to NYC for a Saturday, or burn off some steam on an intramural team. Our Golden Hours Program series ensures that something fun is happening every Friday and Saturday night throughout the semester.

## Our Campus Runs on Clubs

WNE has over 70 clubs and organizations, with plenty of room to grow! You'll have the freedom to continue activities you already love or try something new. And if we don't already have your club, you can start it.

If you're into performing, our Improv on the Rocks comedy troupe or Stageless Players theatre group will be the perfect fit. If you see yourself as a student leader, becoming a Peer Advisor or Resident Advisor or joining Student Senate may be more your speed. We also have clubs focused on diversity and inclusion, gaming, community engagement, media, honor societies, and much more. You're bound to find something to get involved with!

Clubs and organizations are a huge part of campus life here, so don't be afraid to jump in and check out all of the choices WNE has to offer.

## Make Our Traditions Yours

From our annual Spring Event that brings a major musical act to campus, to Grilled Cheese Night deliveries to fuel study during finals, a taste of food and fun at World Fest, and the Friends and Family Weekend Bed Race, joining in on our traditions makes you truly part of the family. Not only do we love our long-standing traditions, but we are always coming up with new ones to be enjoyed by the many generations of Golden Bears to come.
