BusinessWest, March 2, 2022, “WNE’s Julie Steiner Has Led the Way in Cannabis-Law Education,” <https://businesswest.com/blog/wnes-julie-steiner-has-led-the-way-in-cannabis-law-education/> (“As a law professor, Julie Steiner saw the thorny issues raised by cannabis legalization in Massachusetts — and the way it conflicted with federal law — very early in the process and turned it into a passion of sorts, not only educating students at Western New England University School of Law, but bringing other educational resources to the region and becoming a go-to resource on the topic of cannabis law. Yet, it’s not just legal nuts and bolts she’s interested in, but the real people impacted by a drug-regulation history in the U.S. that’s problematic at best — and still evolving.”)
