

Employer Reimbursement Payment Plan

This plan allows students who receive tuition reimbursement from their employers to defer two-thirds of their tuition payment until 30 days after grades are received. This allows time for tuition reimbursement checks to be issued by the employer. A LETTER MUST ACCOMPANY THIS FORM FROM YOUR EMPLOYER VERIFYING YOUR ELIGIBILITY FOR TUITION REIMBURSEMENT.

I am employed by _____ where I am eligible for coverage by a tuition reimbursement plan. This plan pays the reimbursement directly to me.

I agree to pay 33% of my tuition with the first bill I receive. I request that the due date for the remaining 67% of each semester or term's balance be extended to thirty days after grades are received. I agree to pay my tuition account in full on or before the thirtieth day after grades are received, whether or not my employer has issued the total amount of my tuition obligation to me.

I understand that finance charges will be charged on all unpaid balances, once classes begin, at a rate of 1% per month.

I have read and understand the terms of this agreement. I realize that failure to pay according to the terms above may result in my account being placed on Enrollment Services Hold thus preventing future registration.

I am aware that Western New England University reserves the right to refuse acceptance into this program for any reason.

Western New England University is committed to the principle of equal opportunity in education and employment.
