

2024 Spring Semester Undergraduate Courses Final Exam Schedule

Combo exams are listed – these are predetermined by the Colleges' Dean's Office. Report any "combo final exam" scheduling conflict(s) to the Dean's Office of your major, as soon as possible. See the bottom for detailed sections/instructors/locations.

If you don't see your course(s) listed as a Combination Exam, then locate the exam slot that corresponds to the course's normal meeting time. These final exams will be held during that assigned exam timeslot, in the same classroom you've met in all semester.

In the case of a student who is scheduled for 3 (or more) final examinations on one day, the examination in the middle exam slot will be rescheduled at the convenience of both the student and the faculty member. However, there are two exceptions:

The first exception, is if the student can move any of the 3 (or more) examinations to the examination for another section of the same course taught by the same instructor, he or she must do so if the move does not cause another conflict.

The second, is if the middle examination is a combination examination, one of the other two examinations will be rescheduled by joint agreement between the affected faculty members. If an agreement cannot be reached, a decision will be jointly made by the Deans of the Colleges in which these two courses are housed.

The student must give notice by April 26 - ten (10) calendar days prior to the start of Spring final examination period.
