

## 2026 Spring Semester Final Exam Schedule

### 15-week programs: Monday, 5/4/2026 through Friday, 5/8/2026

- Combination exams times and dates to be determined by College Dean's Offices
- In the case of a student who is scheduled for 3 or more final examinations on one day, the exam in the middle time slot will be rescheduled at the agreement of the student and faculty member with two exceptions:
  - o If a student can move to any of the other examinations of the same course taught by the same instructor in another section, the student must do so.
  - o If the middle exam is a combo exam, one of the other examinations must be moved by agreement of the student and affected faculty member. If an agreement cannot be met, a decision will be made by the Dean's Offices of the College(s) for which the courses are housed.
