

2025 Fall Semester Final Exam Schedule

15-week programs: Monday, 12/8/2025 through Friday, 12/12/2025

- Combination exams times and dates to be determined by College Dean's Offices
- In the case of a student who is scheduled for 3 or more final examinations on one day, the exam in the middle time slot will be rescheduled at the agreement of the student and faculty member with two exceptions:
 - o If a student can move to any of the other examinations of the same course taught by the same instructor in another section, the student must do so.
 - o If the middle exam is a combo exam, one of the other examinations must be moved by agreement of the student and affected faculty member. If an agreement cannot be met, a decision will be made by the Dean's Offices of the College(s) for which the courses are housed.
