

Using the course schedule [here](#), review which courses you would like to take during your term at Western New England University. Please rank the courses to indicate the courses you are most interested in and alternates. You may also look at the [Course Catalog](#), which lists all the university courses but not all of these courses are available every term. **Note: we will make every attempt to ensure you are enrolled in the courses you indicate below, but we cannot guarantee them.**

Note: We understand that you may wish to change courses once you arrive on campus but it is uncommon in the U.S. for students to change their courses more than one or two times. Changing courses multiple times causes disruption for the class, fellow students, and professors. Should you have questions about your proposed courses, please ask your Academic Advisor.
