WESTERN NEW ENGLAND
UNIVERSITY WNE 12-month OPT Application Packet

Post-Completion Optional Practical Training (OPT) is temporary employment directly related to a student's major field of study, and it may be used before or after completion of an academic program. OPT may be used for 12 months for *each* degree level. OPT may be used before or after the completion of a program but it is advisable to use only after graduation. Students on post-completion OPT are limited to 90 days of unemployment. Students with certain STEM majors may be eligible for an additional 24-month extension of post-completion OPT.

Western New England University must recommend OPT for the student. U.S. Citizenship and Immigration Services (USCIS) will provide final approval and issue an (Employment Authorization Document) EAD. The applicant must have an EAD card before they can begin OPT employment.

Eligibility:
- Students must have completed one full academic year of full-time study
- Maintain valid F-1 status
- Employment must be in the major's field of study
- Have not used 12 months or more of full-time CPT (Curricular Practical Training) for 12 months
- Have not regained legal status through reentry during the previous academic year

NOTE: Students will lose their OPT eligibility if they depart the U.S. during their grace period and USCIS has not received their OPT application prior to departure. Students will be unable to return until OPT is approved.

OPT Categories:
1. Pre-completion (rare)
    - Academic Year
        - During fall and/or spring semesters, the student has not completed required coursework. On- and off-campus work combined cannot exceed a total of 20 hours per week.
    - Vacation Period
        - Authorization may be part-time or full-time
2. Post-Completion (most common)
    - After completion of the degree program

Application Process:
- **Pre-completion applications:** up to 90 days before enrolled for one full academic year, if the period of employment will not start prior to the completion of the full academic year.

- **Post-completion applications:** OPT applications must be received by USCIS no earlier than 90 days before and no later than 60 days after the student's date of degree completion.

OPT Online Workshop and Quiz:
All students applying for Post-Completion OPT must complete the OPT Online Workshop and Quiz in Kodiak. You must receive a score of 90% or higher before your I-20 with an OPT recommendation will be created by ISSS. You can take the quiz multiple times.

Travel during UNDERLINE APPROVED OPT
Under normal circumstances, a student who has both (1) an EAD for post-completion OPT or receipt notice [Form I-797] and (2) a job or job offer should not experience difficulty reentering the US. If either of these two conditions is missing, then the student is assuming risk. Each Port of Entry is different so be prepared with all documents.

While on OPT, travel signatures on page 2 of the I-20 are only valid for **6 months** from the date of the most recent signature. If your travel signature has expired, come to ISSS during to request a signature.

You must have a passport, valid visa, and signed I-20 in addition to your EAD and job offer letter.

Cap Gap Extension

The H-1B "cap-gap" occurs when an F-1 student's status and OPT work authorization expires after April 1, and before the student can start approved H-1B employment during the next fiscal year that begins on October 1. For example, a student currently on OPT on April 1 who timely-filed an H-1B petition that requests an employment start date of October 1 of the following fiscal year will have their duration of status and OPT employment authorization extended to October 1, called "cap-gap."

However, if you need an I-20 for any other reason to prove you are in cap-gap status, contact ISSS. You should send an e-mail to ISSS with end date on EAD card, current mailing address, current employer name and address including the start date of that employment, and employer name and address during Cap-gap dates.
