

**Mass Health Council – Western New England Student Health Careers Internship Pilot
With Duggan Middle School
7.8.24 – 8.12.24**

Overview: The Massachusetts Health Council (<https://mahealthcouncil.org>) – is a health advocacy and education group with membership that includes MDs, RNs, RPhs. This Pilot Program with WNE and Duggan Middle School was created with the goal of providing educational programs to high school and middle school students to get them interested in and familiar with various health-related careers and fields and address the shortage of health care workers in the state.
