

Change your oil in minutes with no mess and no stress!
Our innovative tool makes car maintenance faster, cleaner, and easier!

MSRP:
\$29.99

3-year projected revenue: \$4,807,968

- **Total Available Market: 285 Million**
 - Based off number of registered vehicles in the US
- **Service Addressable Market: 90 Million**
 - Based off market research on the number of people who perform oil changes at home
- **Projected Number of Buyers (SOM): 4.5 Million**
 - Based on 5% of the service addressable market

Feature	Function	Benefit
Outer Shell & Funnel	Contains and channels oil into the hose	Keeps hands, clothes, and workspaces clean
Flexible Hose	Directs oil flow into a container	Allows full control over drainage direction
Mesh Filter	Catches the drain plug if it is dropped	Prevents clogging and overflow of oil
Tool Insertion Hole	Enables tool to reach the drain plug through the case	Blocks oil from leaking down the tool or outside of the case
Magnetic Attachment	Secures the Torque Funnel to the oil pan or nearby surface	Enables hands-free operation and stability
