GENDER NEUTRAL SUPPLEMENTAL HOUSING AGREEMENT

In that during the academic year, I will be residing in an on-campus apartment/suite designated specifically for Gender Neutral Housing, I understand and agree to the following:

*I understand that the vision and purpose of Gender Neutral Housing is to provide a community that is safe and comfortable for persons of all gender identities, gender expressions, and sexual orientations; and that I am responsible for upholding the core value of respect for all persons.

*I understand that I am making a commitment to live on-campus for the entire academic year.

*I understand it is my responsibility to fill any vacancies within my living space with a currently matriculated student should a roommate move out. It is expected that any confirmed vacancy will be filled within 14 business days. I understand that failure to fulfill this responsibility can result in the breaking up of the gender neutral apartment and may require me to move to a different space on campus.

*It is expected that I will complete a roommate/apartment agreement with my Resident Advisor at the beginning of the Fall semester. Should there be a room change within my unit, I understand that I will be expected to update the agreement with my Resident Advisor within one week of a new roommate taking occupancy.

*I will respect and safeguard the privacy and personal space of all of my roommates.

*I agree to attend community meetings when scheduled. Additionally, I agree to participate in evaluations and provide honest and timely feedback as the Residence Life staff works to evaluate the continued success of Gender Neutral Housing.

*I understand that I am fully responsible for following all University policies and procedures as outlined in the Resident Student Housing Agreement as well as in the Student Handbook.

*I understand Residence Life reserves the right to make changes to housing as it deems appropriate.

*I understand that students are strongly discouraged from selecting housing in the same living unit as someone with whom they are in a dating relationship.
